Later on Dr Swarnalata Harichandan greeted all the guests with Shawl, coconut and Tulsi Saplings.

- **Introduction of workshop by Dr. Swarnalata Harichandan:**

Miss. Rupali invited Dr. Swarnalata Madam to introduce about the workshop. She explained the Objectives of the workshop. Welcomed all the guests and participants and mentioned that education needs to focus on all-round development and it is best obtained through experience. Education is effective, when it is transacted through work and craft and not only through books. For true character –building, the focus needs to be on values, ethics and ideal citizenship. Focus is needed on culture, arts, music, dance, sports and games which are the basis for the development of creativity, imagination and peaceful living with harmony and she mentioned about the goal of the workshop that, to promote Gandhiji’s ideas on Experiential Learning, Nai Talim, Work Education, and Community Engagement and main streaming them in school

Education and Teacher Education, curriculum & Pedagogy. And mentioned about the objectives of the workshop as follows:

OBJECTIVES OF THE WORKSHOP

- To understand the concept of Nai talim-understand the school is the place for development of skill, knowledge and attitude.
- To understand Gandhiji's philosophy of life
- To understand the concept of Basic Education.
- To understand the concept of education through Art, Craft and Work

---- extended her thanks to Mahatma Gandhi National Council of Rural Education (MGNCRE) Hyderabad for their support to conduct this programme.

• Address by Chief Guest , Dr. Sunita Magare

Session followed by speech of Dr Sunita Magare-----She Spoke about the importance of experiential learning in present system of education. He told that the teachers must understand the concept, while teaching to the students they must explain to the subject with hands on experience. Later --- explained the concept with live examples via; teach the student swimming after explaining the rules to be follow and by directly place the student in swimming pool with all precautions etc. Every teacher must explore the methods to teach the students about the subject with hands on experience. She spoke about Gandhi's visionary on Education, and importance of traditional occupations in the Indian context, how it disappeared in South India, and retained in two states of North India viz., Gujarat and Bihar. --- opined that there may not be economic growth with Gandhiji's Nai Talim when compared to Nehru's Industrialism. But developing country like India, we will get sustainability with rural economic growth by encouraging rural crafts. ---- added that Gandhiji's ideals are internationally accepted by many countries, and it is a great honour for us to be associated with MGNCRE, which is implementing Gandhiji's ideas i.e., Nai Talim in the curriculum of B.Ed. and D.Ed. curriculum. ----
