ABOUT THE COLLEGE

Sainath Education Trust was established in the year 1986 with the aim of spreading education in Navi Mumbai. Hon. Shri. Haribansh R. Singh (Member of Parliament) a visionary dreamed to provide higher education to the socially and economically under privileged strata of society at an affordable cost. The trust started its academic service by establishing a school in the year 1988, predominantly in Hindi medium which subsequently lead to the establishment of English medium school. In the year 1988, the trust established a Junior college in the streams of Arts, Science and Commerce. To cater to the needs of socially, economically and academically under privileged section of the society the Trust took a bold step to establish a degree College in the year 1998.

Moving one step ahead to cater the needs of Higher Education and to contribute in the development of a healthy and intellectual society the Trust has established Teachers Training College (B.Ed.) in 2006 with a view to provide increased access in higher education particularly in teacher education. The College affiliated to University of Mumbai is recognised by National Council of Teacher Education (NCTE) & recognised under section (2f) of UGC ACT, 1956 .Currently Accredited by NAAC “B+” (CGPA 2.6) in the 1st Cycle. The Trust aspires to achieve many more milestones. The future classroom teachers need to be equipped to meet the emerging challenges, therefore teachers need to be oriented with emerging issues and challenges. In that direction we have started the tradition of organising seminar series.

ABOUT THE SEMINAR

Teacher education programme has faced many challenges even before the introduction of NEP 2020. When there was a move from 1-year B.Ed. programme to 2-year B.Ed. programme there has been reluctance in accepting the same by the students, teachers and management in implementing the same. There has been reduction in student’s enrolment in many places. Now the teacher education programme will be in multidisciplinary HEIs and be 4 years duration. All educational institutions have to implement the NEP 2020 during the coming years which definitely poses challenges especially to the stand alone TEIs.

Therefore, it offers various challenges to be met in implantation like developing content, pedagogy, finance, etc. This seminar is an attempt towards discussing many issues and challenges faced by teacher education institutions especially the introduction of ITEP. This is sponsored by ICSSR, WRC, and University of Mumbai. The following subthemes will be discussed in the Seminar.

1. Challenges of Teacher Education Programme in the Context of NEP 2020.
2. Continuous Professional Development of Teachers.
2. Concerns & Challenges for ITEP (Integrated Teacher Education Program)
3. Integrating Experiential Learning in Teacher Education.
4. Integrating ICT in Teacher Education.

OBJECTIVES OF THE SEMINAR

- To discuss about NEP 2020 in relation to teacher education
- To analyse the need of continuous professional development of teachers in the light of recommendations of NEP 2020

- To focus on the concerns and challenges of ITEP
- To discuss about integration of experiential learning and technology in teacher education
