Summary	Faculty get aware about ' NAAC- New Binary Accreditation Guidance Workshop'

### **Descriptive Report:-**

‘IQAC’ of H.B.B.Ed COLLEGE, Vashi, Navi Mumbai organized one day National Level Workshop in a Hybrid Mode on ' NAAC- New Binary Accreditation Guidance' on 1<sup>th</sup> March 2025. The purpose of the said workshop was to guide All Higher Education Institutions teachers, Librarians, teacher educators for new NAAC-binary accreditation process. Prof. Dharmadhikari N.S., a NAAC & UGC COMM. MEMBER, has been leaded the workshop. This indicates a high level of expertise and authority on the subject.

The programme got started with lamp lighting and by felicitation of the guests on the dais with Tulsi and shawl .Mrs.Roshani Kharat IQAC coordinator, introduced the guest to audience .Dr.Swarnalata Harichandan welcomed all participants and gave brief introduction about workshop.

The workshop focuses on a significant change in NAAC accreditation, moving to a binary system. This likely means institutions will be assessed as either "Accredited" or "Not Accredited," rather than receiving a CGPA-based grade. He touched on all the attributes step by step of New Binary Accreditation System of NAAC and how the college should get prepared for NAAC Accreditation in the days to come.

He emphasized about IKS, and Technological Implementation in Activities conducted in college. Thereafter, the floor was open for discussion and doubt clearance.

Participants gained in-depth knowledge of the new NAAC Binary Accreditation System and its implications. Overall, this workshop seems to be a crucial event for institutions seeking NAAC accreditation, especially given the significant change in the assessment system. The presence of a NAAC and UGC member as the resource person adds to the credibility and potential value of the workshop.

For IQAC purpose (To be fill up by Head/Subject In charge/Committee Chairperson)
